REFLECTIONS OF...

It is the first day of school for the 1993-94 academic year. As you walk through the halls of the buildings, you see a wide variety of expressions. There are friends together again after a summer apart. Others show relief that this is their final year. And then you see the look of total panic. That look like "I don't know where this room is and class starts in 1 minute. How can I be late on my first day of college?" These are the expressions of freshmen, sophomores, juniors, and seniors alike. It is those expressions that are the reflections of us. The upperclassmen reflect back on what their first day of college was like and even the faculty and staff begin to remember what their life was like at our age. Reflecting back is as important as glancing ahead.

So, another academic year is upon us. By the end of the year, we will have new memories and friendships to treasure. The entering freshmen will have completed the first of four steps to graduating, while the seniors will end their journey at Millikin. It is all these special times that are captured in the yearbook. Take the time to reflect on this past year.

Top right: Amy Jackson, an RA in BWA, helps one of her new residents move into her room. Looks like she has a long way to go. Right: Marcie Lindgren endures the long process of validation. Below: Seniors Keith Schoonover, Jennifer Gray, George Hines, and Marcus Lewis wave to the camera while walking across campus. From the smiles on their faces you can tell they are ready to graduate.

Attending college at Millikin is an experience filled with more than just academics. Top left: The area known as the "quad" is a popular place for students to play soccer, or any other sport. Top right: Emily Spreng, Sarah McCracken, Kim Travis and Nita Stechman use the Christmas season as a reason to avoid studying and spend time together. Below: Gathering for a Football game, Stephanie Link, Robin Graham, Carolyn Quigley, and Tiffany Anesi pose for the camera.

Millicamp- "Blast Off"

Millicamp is a two day orientation at nearby Allerton park for new students. This year the freshmen and transfer students decided to "Blast Off" into a new school year and new experiences. On August 21, everyone loaded onto the yellow buses to begin the Millicamp experience. The objective of the camp is to introduce new students to some of the faculty and administration at Millikin in a fun, informal setting.

Besides getting to know one another, students had a chance to talk in groups about their first day jitters and to ask questions about activities on campus. Free time was plentiful at camp and could be spent in many ways. Saturday night was the cabin exchange, the hypnotist, the dance and also a movie. To complete the night a bonfire was built to roast marshmallows. Sunday was the last day of the Millicamp experience and church services and games were on the itinerary. This year the games and Millicamp ended in rain, but that didn't keep campers from having fun - the counselors started a water fight. The buses returning to Millikin Sunday were filled with students eagerly looking forward to college and all its experiences.

Committee Head Diane Wendt - "Most freshmen and transfer students don't really appreciate Millicamp until they get on campus and realize how many faces they recognize. I think that is the greatest thing about Millicamp."

Right: Kim Rowland, Kathy Lutgens and Jayna Kent find time to socialize while waiting for the next event. Far right: Mr. Randy Rentfro discusses the organizations freshmen can look forward to participating in.

Right: Attention Hogan through Kohl, the yellow bus of happiness awaits your arrival for a fun filled weekend.
Below: Oh boy, where's my sleeping bag? Somewhere in this pile lies your weekend supplies, good luck! Bottom right: Here's to the cheery Millicamp counselors who made our adventure take off.

Fall Convocation began with the academic procession led by faculty marshals Jo Ellen Jacobs and James Schietinger. After the invocation, Provost Flynn introduced Dr. McCray as the convocation speaker. President McCray's address was very timely in that it discussed the subject of change. In general, he stated that Millikin would have to decide whether or not to change with the times. If Millikin wanted to change, it would have to begin to plan now for the changes to happen by Millikin's 100th Anniversary in 2001. In addition, President McCray established the task for Millikin's future. His message to everyone present was that people before us brought us here, and it is our responsibility to embrace this and carry it forward in order to create something new and different. It is up to us today to plan for tomorrow. We cannot put it off for the future, because the future is fast approaching.

"The President's message was very relevant to what Millikin will be facing in the near future."

Nick Stabler

President McCray joined the Millikin family on March 1, 1993. He came here from California State University at Long Beach where he served as president for 5 years. Before that, he spent 6 years as president of the University of N. Florida. Dr. McCray is a native of Indiana. He earned his Bachelor's degree from Knox College and spent his graduate years as a Woodrow Wilson Fellow in psychology at the University of Pennsylvania. His Ph.D. in English came from the University of Nebraska

All Stands On Change Like the Midsummer Rose

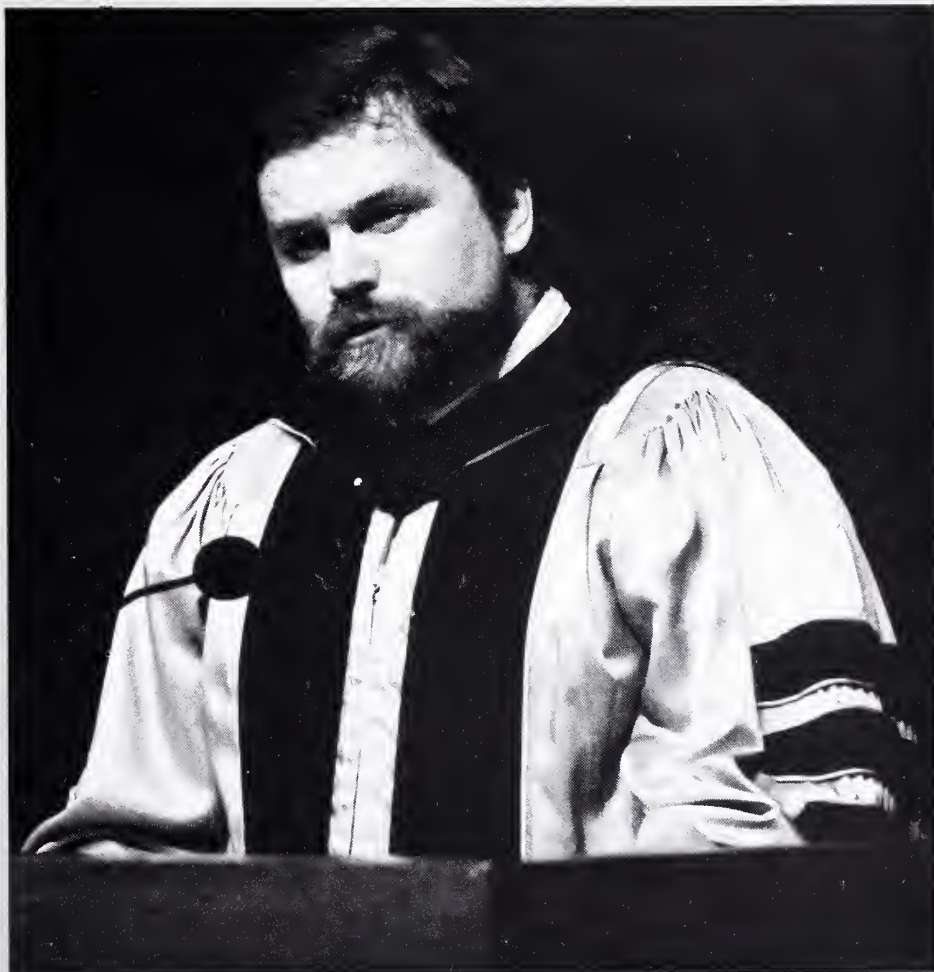

The title of Dr. McCray's speech came from the refrain of a John Lidgate poem. He chose the title because it represented the rapid changes in higher education at the current time. Dr. McCray indicated that changes are feared because it alters the secure environment we are used to. So how should Millikin react to the change? Are we already stable or should we change? To answer this question, President McCray focussed on the forces that cause the change. According to him, you can react more appropriately to change if you know why the change is occurring.

Dr. McCray discussed the forces in two areas: Beyond Millikin and Within Millikin. Outside of Millikin, some of the forces of change come from a changing student body, a new public mood toward higher education, environmental constraints, globalization, etc. Within Millikin, however, change is guided by technological constraints, shifts in funding, and, in general, aspirations vs resources. Our job is to decide whether change is needed.

Provost Thomas F. Flynn presided over Fall Convocation. Provost Flynn started his job this academic year. For many students, this was their first opportunity to see the new Provost. In addition, this was the perfect chance for the Provost to introduce himself to the students and faculty at Millikin as well as to the citizens of Decatur.

Let the Good Times Roll

After over a month of being away from home, Fall Family Weekend arrives. The weekend is a chance for families to visit with each other and for the students to reassure their parents that they are doing fine.

The campus is filled with little brothers and sisters running around, trying to take in what this idea of college is. Their smiles of joy when they see their brother or sister is something that anyone can enjoy.

This year's theme was "Let the Good Times Roll" - and they did. Every event was well attended and the entire weekend was a success. From the Family Dance to the "Fiddler on the Roof" performances, smiles and laughter were everywhere.

By the end of the weekend, the children's smiles turned into tears as they said good-bye, but the memory of their weekend will last for many years to come.

Top right: President and Mrs. McCray take the opportunity to meet some of the students' parents during meal times. Right: Sophomore Diane Wendt painted faces during the brother/sister program. Below: Singing Blue and Blue Review entertained everyone with a spectacular performance.

Mardi Gras

This year's Homecoming certainly lived up to its name. The wild week kicked off with the annual games held in Fairview Park. That Tuesday was the talent show and the pep rally and bonfire were held Thursday night. Saturday morning, just hours before the long awaited football game against North Central, the second annual homecoming parade took place. The parade has become very popular both with Millikin students and the people of Decatur.

Front: L to R - John Bucci, Guy Merker Oroni, Michael Englehart. 2nd: Jon Erickson, Christie Tibbs, Tina Bisbikis, Jody Ball, Chris White, Patty Klopach. 3rd: Denelle Niles, Dan Swihart, Lane McGee, Jodi Weightman, Michelle Stremmel, Pat Evans, Michelle Kendall, Mark Koepsel.

Front Row, L to R:
Tina Bisbikis,
Stacie Bell,
Heather Yager,
Kim Schmit,
Melanie Uptgraft,
Angie Snellenberger.
Back Row: Matt
Gordillo, Matt
Kotzamanis, Dave
Stuckey, Steve
Hubbard, Dan
Swihart, Chris
Lawyer.

About the Court...

King Dave Stuckey and Queen Angie Snellenberger are both seniors. Stuckey is a marketing major from Bloomington.

Snellenberger is a political science/communication major from Dupo. Stacie Bell is an international business major from Belleville. Heather Yager is a business administration major from Quincy. Tina Bisbikis is a music major from Tinley Park. Kim Schmit is a marketing major from Chicago. Melanie Uptgraft is an english writing/history major from Keystone, Ind. Matt Gordillo is a political science major from Decatur. Steve Hubbard is an accounting major from White Hall. Matt Kotzamanis is a business administration major from Spring Valley. Chris Lawyer is a psychology major from Decatur. Dan Swihart is an art therapy/psychology major from Libertyville.

...Millikin Style!

The Tri-Deltas show their hard work and dedication by proudly displaying their float during the annual homecoming parade.

Seniors Pete Pastornak, Robb Schultz, and Brian Aeilts fire up the pep rally crowd before their final Homecoming football game.

Enthusiastic students show their support for the Big Blue at the annual pep rally. This year the rally featured a slide show and performances by the baby blue poms and the cheerleaders to get everyone into the Homecoming spirit.

The talent show, a much anticipated event every Homecoming, certainly lived up to its billing.

With the greek societies, residence halls, and the faculty all putting forth their best efforts to bring their talents together, the show was a big success.

One of the funniest skits in this year's show was the Hessler resident's rendition of the movie "Sister Act."

The Tri-Deltas show their spirit and creativity with their dance number for the Homecoming Talent Show.

Springfest 1994

Despite the rainy conditions, many students were able to enjoy themselves at Springfest 1994. The events were moved from the Quad into Griswold when Mother Nature did not agree with our plans. But inside, the velcro wall, the bungee run, the cotton candy and snow cones, and, of course, the Kappa Sigma Volleyball tournament went on as scheduled. Mark Koepsell, the advisor for UCB, indicated he was very pleased with the turnout and he declared the entire event a success. If you didn't attend this year, take a look at what you missed!

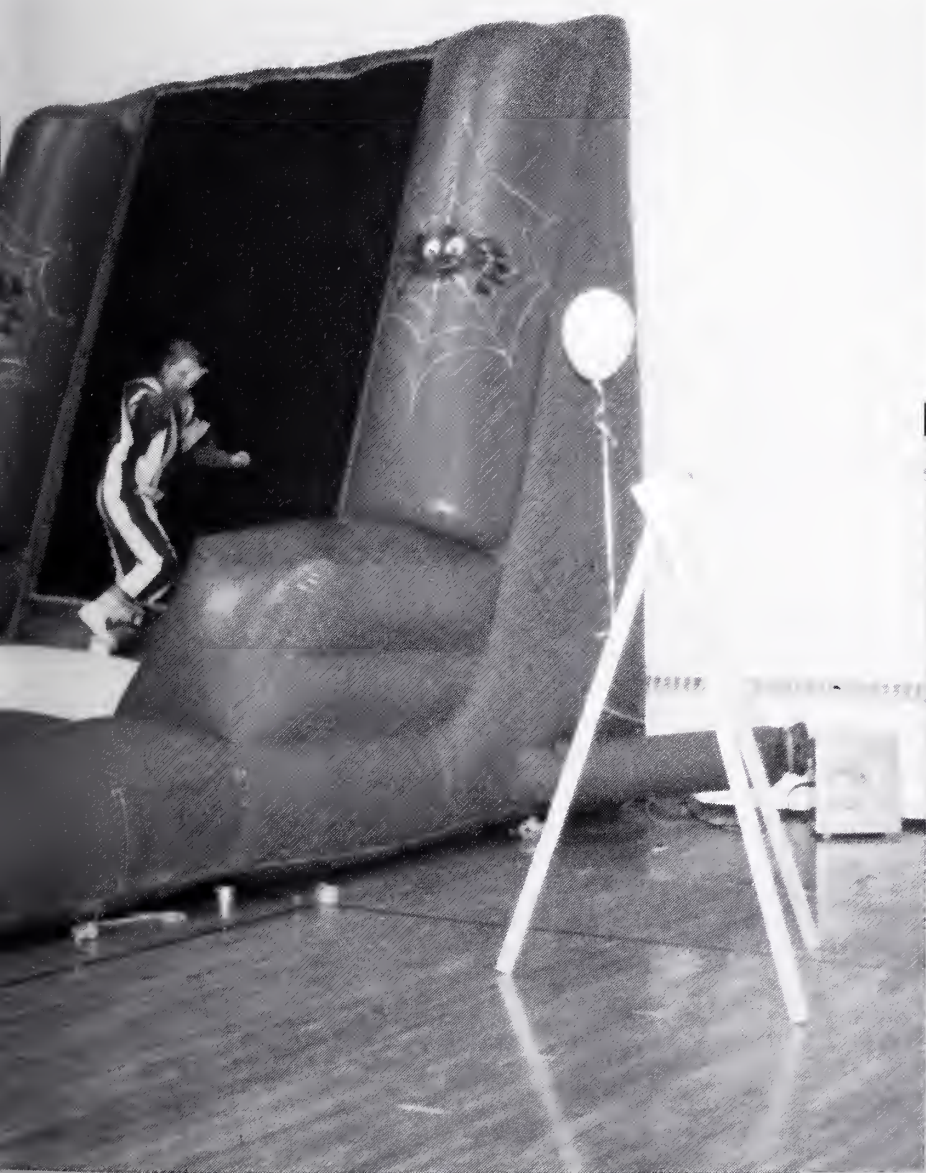

Top right: Damon Cates tends to the snow cone and cotton candy stands. This stand seemed to be one of the most popular places to visit. Above: Freshmen, Kim Travis, poses in front of the pig sign indicating where the velcro wall and bungee run would take place. Kim is a member of the University Center Board (UCB). Right: Another very popular attraction at Springfest was the Velcro Wall. The person would dress in a velcro suit and then after building up as much speed as they could, they jump into the wall covered in velcro.

In addition to the games and other excitement, some people enjoyed spending time with little furry creatures. This cat appeared to attract quite a bit of attention.

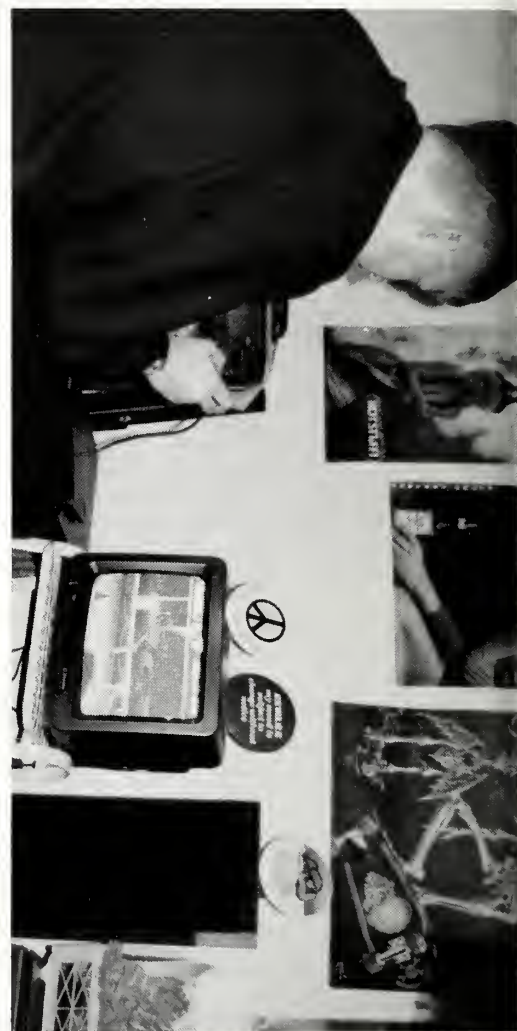

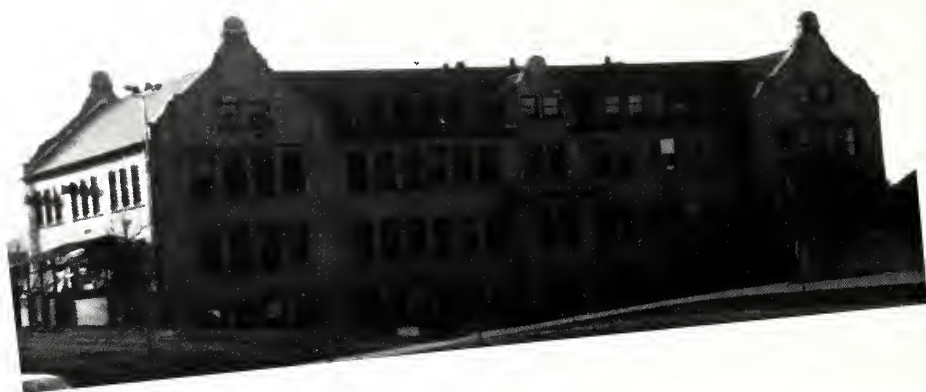

The Kappa Sigma Fraternity once again sponsored the American Cancer Society Volleyball Tournament. The money raised went to help the organization.

Cotton Candy, games, and friends — that's what Springfest was all about. Students had time to relax before the stress of finals began.

International

Millikin International Student Association and the Y.M.C.A presented the Second Annual International Night on February 27, 1994. A fine dinner was enjoyed by all in attendance. The dinner included the finest recipes from China, India, Greece, Japan, and France.

The entertainment program began with Bolivian dancers, and Greek Athenian dancers from the Greek Orthodox Church. Next, Korean dancers presented GahRahk Mah Mahng. This was followed by a Pindia Mangwana African Song and a Tae Kwan Do demonstration.

Inesa Stepermane greets those who arrive with a program and a beautiful Latvian smile.

Everyone enjoyed the dinner that encompassed a wide variety of cuisine from several countries.

Dinner Menu

Entrees: Vegetable Pasta (Italian), Vegetable Stir Fry (Chinese), Chicken Curry (India), Pastisio (Greek), and Vegetable Sushi (Japan).

Side Dishes: Plain White Rice, Vegetable Egg Roll, Sweet N Sour Soup, Avagluma Goup, Rice and Noodles, and Fried Mee Hoon.

Desserts: Baklava (Greek), Napoleans (France), Fortune Cookies (China).

Cultural Traits

Kente Stole: Today's contemporary conscious African American graduate is likely to approach graduation as a festival, rather than a solemn occasion. Cedelle Niles and Dian Pauleon, 1993 Millikin graduates wore the traditional gown and also proudly sporting a Kente Stole to acknowledge whence they had come.

Java Wraps: Merlinda Pauleon sports Java Wraps, a popular scene in the Virgin Islands. Java Wraps are famous throughout the Caribbean for exquisite hand batik women's, men's, and children's wear. Java Wraps showcase an amazing kaleidoscope of colors and prints.

Black Greek Stepping: Black Greek Step Dancing originated from ancient forms of African dance. Stepping is one of the oldest forms of dance. Other forms of dance such as tap, modern jazz, and even ballet owe their roots to some type of African dance. Black Greeks today celebrate their heritage by recreating and modernizing the dance steps. Each tribe had their own distinct style.

Fiddler On The Roof

"Tradition" is the only thing that holds together a small Jewish town caught in the grips of World War II. Tevye coaxes us into his world of work, his wife, his five daughters, their "matches," and the traditions and handicaps of the Jewish community. With humor and logic and a little help from above, Tevye and his family and friends try to get through life with as many dreams as possible.

Romantic Comedy

The funniest thing about love is how it can hit you at all the wrong times. John meets Phoebe, the woman he falls in love with, on his wedding day. Unfortunately, he is getting married to another woman. Phoebe becomes his co-writer and a special part of his whole family's lives. After being seperated and then reunited, they finally have a chance for a relationship, but it is not as fresh as it used to be, so the results are not so great!

Wings

Emily Stilson walked on the wings of airplanes in her younger days. Now she is in her seventies and she has gone through the terrifying experience of having a stroke! On her journey to recovery, she sees larger-than-life doctors and nurses and she finds a friend in her therapist, Amy. With as much courage and good-humor as she can gather, Emily must dare to walk out onto the wings of life, trusting that she will fly again someday.

Sweet Charity

"The story of a girl who wants to be loved." Talk about looking for love in all the wrong places! Charity Hope Valentine has a big heart, but she trusts everyone and gives her heart away without hesitation. She works as a dance hall hostess along with her friends as they entice the "big spenders" to come and dance. When Charity finally finds her true love, her past is too much for him to bear. But, nonetheless, she always finds a silver lining, no matter how gray the clouds!

Les Liaisons Dangereuses

The scandal and intrigue of France in 1870 comes alive in *Les Liaisons Dangereuses*. Le Vicomte de Valmont and La Marquise de Merteuil lock against one another in a battle. A battle where wits and emotions are their weapons. Innocent people get swept away in the frenzy. Love is found and lost. While the battle is a fun and interesting sport, this war of lust, greed, and revenge leaves no one on top and no one is a winner. At the close of the play, all have lost and there is no victor. In this game, true love is swept over until it is too late.

Reflections Of ...

INTERNATIONAL STUDENT ASSOCIATION

ROW 1: Brian McGowan, Miin Wei Looi, Raymnod Anthony, Matt Cain, Kuok Wei Lim, Michelle Stremmel. ROW 2: Lisa Stephenson, Elizabeth Anvick, Myrna Duran, Lorna Peh, Dan Weitzenfeld. ROW 3: Barney Yong, Milena Todorova, Doug Griffith, Mike Weightman, Coleen Tay, Seng Yam Lim, Agnieszka Topa, Inese Stepermane.

The International Student Association has celebrated another year of fostering diversity and cultural awareness at Millikin. The Association sponsored several multi-cultural events throughout the year, such as the annual International Night, an International Fair, welcoming cookout for new international students, and a Halloween party. The Association also invited Mr. Eric Weldy, Director of Minority Affairs to speak at one of our meetings.

The Association also conducted a very successful International Friendship Day, an event promoting international understanding with the Girl Scouts of Decatur. The International Student Association is committed to furthering multi-cultural awareness among the international students, staff and students at Millikin and the local community.

INTERFRATERNITY COUNCIL

ROW 1: Aaron Fleming, Matthew Wilzbach, Charles Roessler, Christopher Zora. ROW 2: Joseph Pottala, Evan Williams, James Kunzer, Christopher Hagler, Matthew Fraley, Josh Allison, Jeff Schutt, Miin Wei Looi, Todd Barnes, Scott Skinner, Britt Robinson, Brian Walker, Matt Knobloch.

The Millikin University Interfraternity Council is composed of the presidents and two elected representatives from each of the six fraternities represented on campus. IFC is governed by seven elected executive officers and four committee chairmen. Each of the six chapters on campus are part of national or international organizations with chapters throughout the United States and Canada. IFC meets bi-weekly to serve as a catalyst for the betterment of fraternity life here at Millikin University. The Millikin University IFC exists to serve four basic purposes: to foster a sense of community among the recognized fraternities on campus through positive interaction; to act as an intermediary between the fraternity system and other segments of the cam-

pus community as well as to promote the greek system; to execute all matters pertaining to joint fraternity relations and actions; and to serve as a clearing-house for information concerning as many aspects of fraternity life as possible. IFC takes part in philanthropies and community service projects throughout the year. One such community service project which IFC took part in during the spring semester was the Big Brothers/Big Sisters of America Bowl for Kids Sake. This year the IFC was recognized by the Mid-American Interfraternity Council Association for its programming in the areas of recruitment and self governance/judicial affairs.

ROW 2: Heidi Swanson, Gretchen Wendt, Tracey Green, Darinda Dalton, Therese Smolen, Kari Bergschneider, Sarah Apsey, Katrina Winch, Jo Ellen Gentry, Michelle Damery, Susan Ozga, Sheila Bracken, Tricia Fredrickson.

Alpha Tau Delta is a professional fraternity for nurses. The purposes of Alpha Tau Delta are to further higher professional educational standards of nursing, to inaugurate projects that strengthen the specific field of professional nursing; to develop character and leadership; encourage high ethical standards of conduct and excel-

lence in individual performance, and maintaining a spirit of cooperation and to form a close bond of friendship, fellowship, mutual help and understanding among those in the nursing profession. Alpha Tau Delta participates in educational and service events.

CIRCLE K

ROW 1: Matt Kotzamanis, Diane Juergens, Jenny Kalupsi. ROW 2: Lisa Skopec, Ann Jackson, Stephanie Edmiston, Kate Mellin, Jennifer Gray. ROW 3: Allison Kapa, Todd Barnes, Matt Gordillo, Misty Lynch, Julia Hoffman, Jen Niemann, Michele Stieren, Nick Stabler.

The Millikin University Circle K club is dedicated to service and leadership. Each semester, the club selects various service projects ranging from working with small children to the elderly, the emotionally disturbed to the developmentally disabled as well as service projects dealing with the environment. In the past, we have held movie/pizza parties for children of Webster Cantrell Hall, working with Special Olympics and Sparkle 'n Shine, participating in the Latchkey Tutoring Program at Westminster Presbyterian Church, volunteer help at Decatur Memorial Hospital Psy-

chiatric ward, cleaning a walk trail at a local conservation park and various other activities. We try to participate in projects that interest us as well as fulfill our need for service. By participating in the service projects, the members of the club give happiness to others while making lots of friends.

Big Blue Attack

With great expectations of what the season might bring, the Big Blue football team streaked across the field for the start of the first home game. The opponent was Illinois Benedictine and after weeks of practice, the team was ready. Quarterback Brian Ganser led the offense on to the field. On the second play of the game Ganser was hit on his shoulder, and his season was finished. Coach Poelker went with his freshmen quarterback Mike Kohl, and the job was his for the remainder of the season. The freshmen's inexperience was not a problem, as he led the team to a 6-3 overall record, including winning 5 of the last 6 games. The season was definitely highlighted by defeating North Central in the Homecoming Game. For Senior Steve Thompson it was a game he won't soon forget, "The extra point pass to Cameron Pettus was the season highlight. We were suppose to win the game, but this year, unlike last, we knew how."

For the returning players, the season was a definite improvement over last year. Anyone watching the team play noticed that new spirit in the players' never say die attitude. Even when the team was losing to Augustana by several touchdowns, the players never quit. The seniors provided definite leadership in this area-their hearts were always in the game. It is this attitude that the team hopes to build on next year. The team will lose 11 lettermen next season, but they will have 45 lettermen returning who will be ready to pick up where this season ended and improve on that record.

Team Chemistry

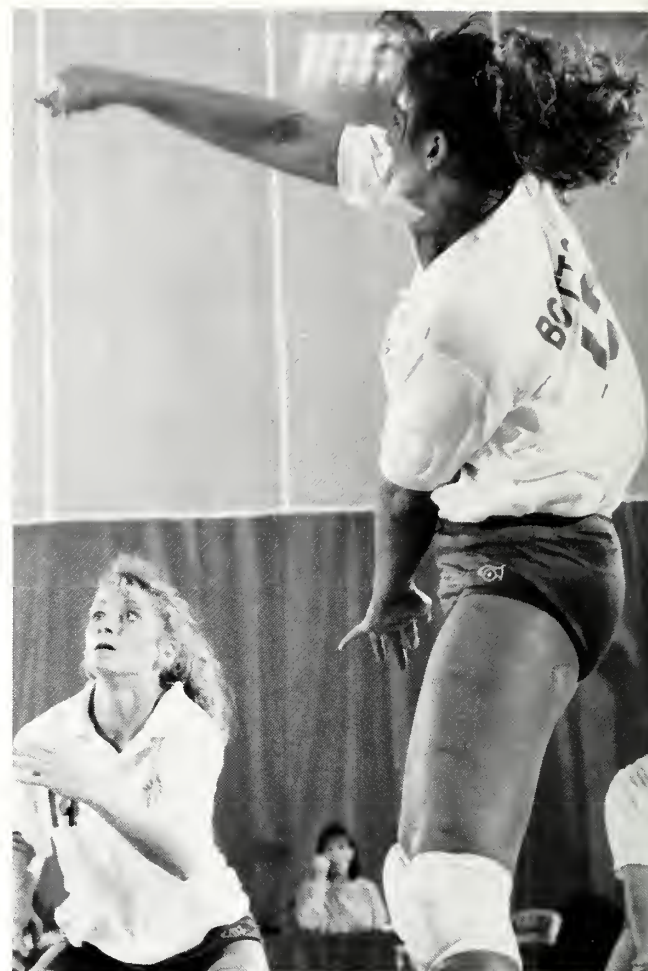

Beginning a season with seven returning lettermen, aroused an excitement about the possibility of success. This year's Big Blue Varsity Volleyball Team used this enthusiasm, determination, and experience to prove themselves to be very successful in the 1993 season. Millikin finished the season 25-10, becoming the fifth team in school history to record 25 or more wins.

Coach Linda Slagell comments, "I think most coaches would deem a season successful when 25 wins are recorded.

But there is so much more to a season than winning and losing. This team had a chemistry and attitude that would make any coach proud." Team purpose, fellowship and a real sense of caring about each other coupled with a work ethic and competitive spirit is what made this team successful.

The Junior Varsity Big Blue Volleyball team's 1993 season proved to be a learning and rewarding experience for both the team members and their student assistant coach, Senior Jason Doty. Jason took over the responsibility as JV coach to lessen the demands of both teams' schedules for Coach Slagell. He commented, "This season has been very rewarding for me; I learned a lot."

The 7-9 overall record does not show the effort and success of the JV Big Blue. They were successful as a team in working together and giving 100% to every game. "The commitment of these athletes to the game of volleyball is extraordinary. Hard work and willingness to do whatever it took to benefit the team was their trademark, perhaps even overachieving at times. One thing for sure, they were great fun to watch," remarked Coach Slagell.

Kicking Ahead

This year's Big Blue Soccer Team was expected to have a rebuilding season, and they did. This year's team only had three returning seniors. These seniors were Dave Kroening, Mike Shumaker, and Chad Jones. The Big Blue was also comprised of four juniors, two sophomores, and eight freshman. The Big Blue finished with a final record of two wins, eleven losses, and two ties. This year's C.C.I.W. record was zero wins, four losses, and one tie. Although their final record does not show it, the Big Blue played many close games. The team lost four games by only one goal and another four games by only two goals. Freshman Phil Thomas had the following to say about this year's team, "Although we lost eleven games, it was a rebuilding year and with hard work and determination, our outlook appears productive and promising." Senior Mike Shumaker was honored as being an all-conference selection. With many returning starters and a new coach taking over the reigns next year, the Big Blue should quickly come together become a championship caliber team. Freshman Ryan Albrecht said, "It will be difficult to replace the three departing seniors, but with several strong upcoming classes, we hope to turn next season into a winning one."

Running for the Future

This year's Cross Country teams were plagued by youth and inexperience. With only two senior men and one senior woman running, the teams were led by four juniors, six sophomores, and four freshman. Coach Don Luy was very proud of the teams' determination and hard work.

Coach Luy said he believes this was the first season that each team had first place finishes at two of the same meets. The Big Blue men and women each won first place at the MU Classic held at Fairview Park in Decatur, and the Greenville Invitational. The places in a Cross Country meet are determined by totaling the place finishes of the top five individuals from each team. The team with the lowest team is determined to be the winner.

The women's attack was spearheaded by Erica Grider who was the top finisher for the Lady Blue at every meet. The men used a more balanced attack led by Kyle Anderson, Kevin Cannell, Matt Gordillo, and Chad Sloan. Each team finished 6th at the C.C...W. Championships and is expected to be the title hunt within the next few years.

"Since we're so young, in a few years we should be

really good..."-Casey Landwehr, Freshman

The men's team huddles for one last pep talk before heading to the starting line.

Sophomore Todd Barnes leads the pack of runners at the Illinois College meet. Todd finished 12th overall and helped lead the men to a third place finish.

Although it may not have been a very successful season on paper, it was a year of improvement, and this will hopefully lead to greater success next season. On the positive side, one of this year's co-mvps was freshman Liza Schroeder. She finished 8-7 overall at #6 singles. With the loss of key seniors Allison Baker, Amy Chowaniak, and Ellen Leppard, she will hopefully be able to move up and continue her success. The other co-mvp, senior Allison Baker, has been a constant on the team for the last few years. She was the co-winner of the award last year, and played at #1 singles, and #1 doubles. She was second on the team with 5 singles and 3 doubles victories. Another positive is the fact that the team has 5 returning letter winners. One sophomore and four freshmen all won letters this year, and with their individual improvement throughout the year, next year's team should be strong.

Reflections of Success

The 1993-94 season saw the Millikin Women's basketball team enjoy its best season since current coach Lori Kerans' playing days of the mid-eighties. Advancing to the semi-finals of the NCAA DIV. III Championship Tournament, the women broke numerous team, individual, and conference records along the way. The 24 victories set a Millikin women's record, as did the average margin of victory of 24.7 points per game. With their 13-1 conference record, the team won the CCIW championship outright for the first time. A let down next year is not expected, with nine returning letter winners, and only one starter being lost to graduation. Congratulations to the entire team on an enormously successful season.

--from Rudy

In what will be remembered as a very successful season, many players made key contributions. Desire, heart, and intensity were displayed by all team members, and exemplified best by coach Lori Kerans.

Taking it to the Hoop

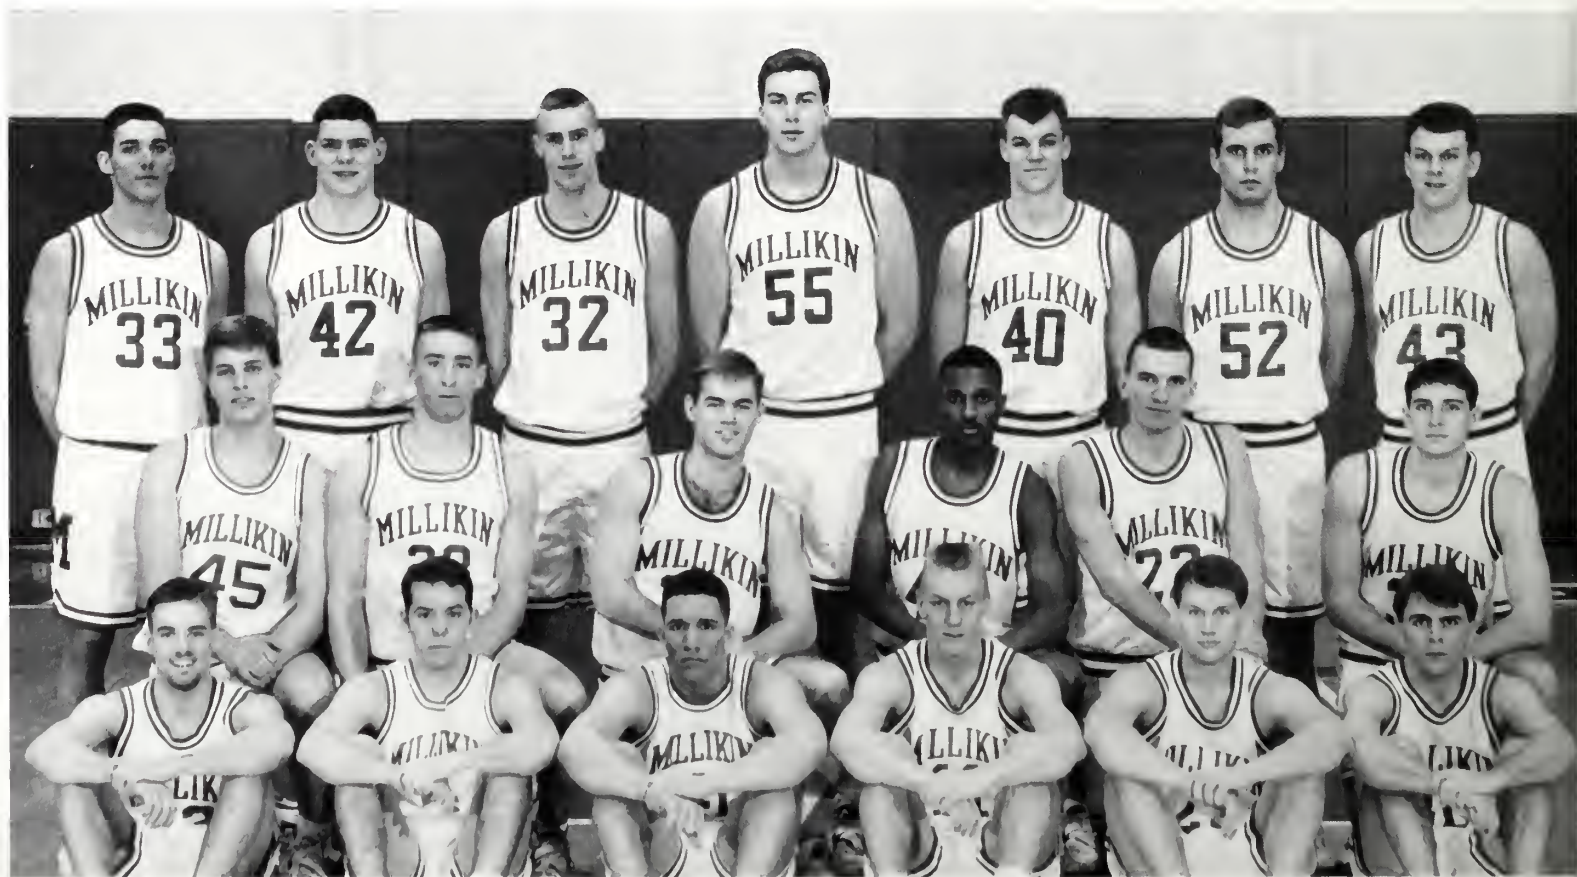

The men's basketball team opened their season with a bang. After winning the first four games of the season, they appeared to have proved the pre-season prediction that Millikin would finish first in the conference. As they began conference play they held a 6-4 record which included the 3 losses they suffered during their California trip.

After winning the first two conference games, the Big Blue fell in consecutive games to Augustana and North Park. By the time they were ready to face long-time rival, IL Wesleyan, they had a 4-2 record in the conference. Although the loss to Wesleyan was a setback, the Big Blue were not defeated as they won their next four games. That winning streak was snapped by a 62-64 loss at home to North Park. The team then finished the season with a three game winning streak which included a 86-84 victory against IL Wesleyan at home.

The team held on to a glimmer of hope that they might be selected to participate in the Regional tournament. That dream quickly vanished. Despite the unhappy ending, the team accomplished a lot during the season, and proved they will be a force to reckon with. The team will lose Brad Stieg to graduation and Eric Smith is transferring. They will return 10 letter winners next year.

Senior Brad Stieg served as the team's captain this season. He proved the team leadership both on and off the court. He averaged 7.2 points per game.

Wrestling Blue

This year the Big Blue Wrestlers had a great deal of team success to go along with an abundance of individual triumphs. After a grueling conference season, the Big Blue pulled together to finish 3rd in the conference overall. Individually, the Blue had four wrestlers, John Bucci, Mike Barber, John Venable, and Mike Kasper all receive runner-up honors at the conference meet.

Freshmen Mark Schlernitzauer was named the most improved wrestler of the year. Senior John Bucci and Junior Mike Kasper were named co-captains at the start of the season.

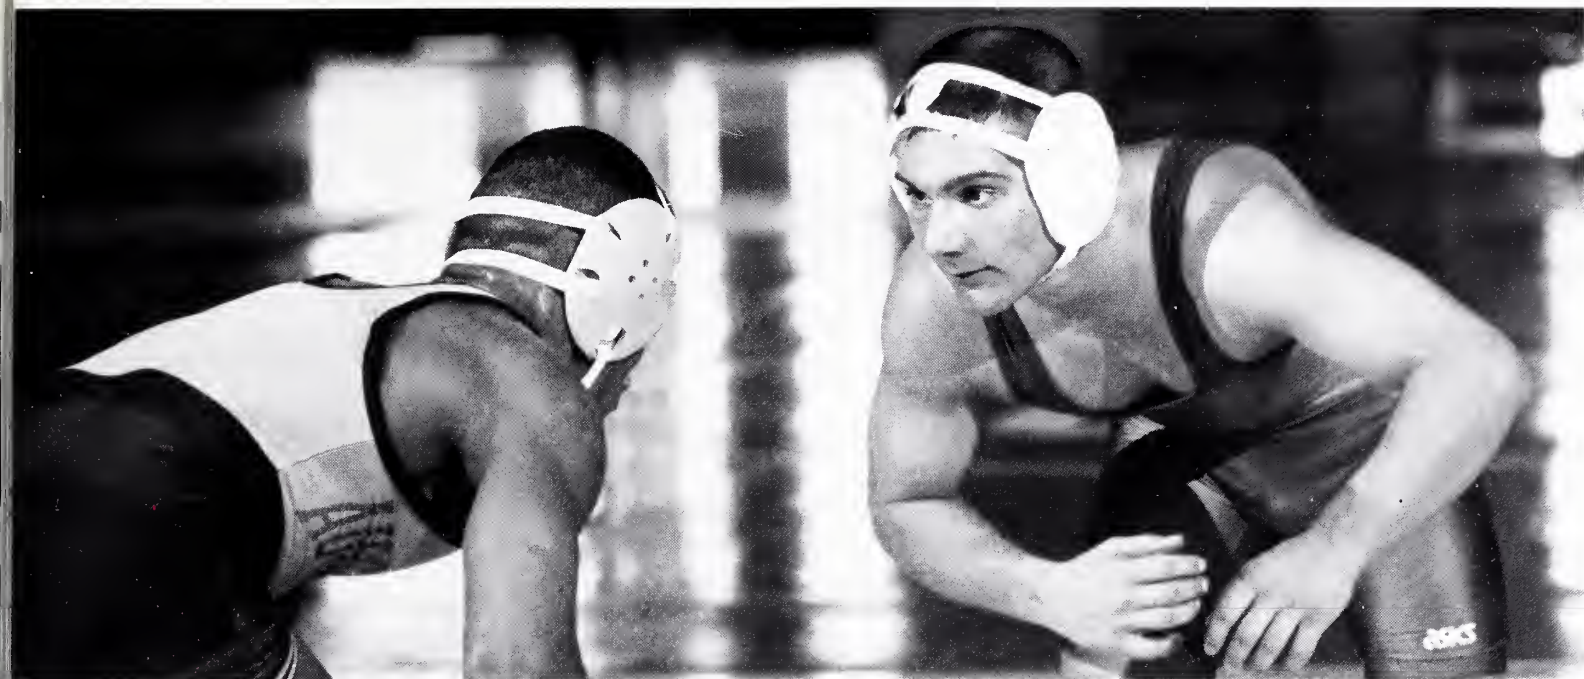

With only one letter winner being lost to graduation, the future looks encouraging for Big Blue Wrestling.

Sophomore John Venable takes control of the match and his opponent.

Front Row (left to right): Coach Mike Poe, Mike Raley, Phil Simoncelli, John Bucci
Back Row: John Venable, Jon Fanning, Mark Schlernitzauer, Mike Kasper, Russ Foehr, and Assistant Coach Tom Watkins

Senior John Bucci shows his intensity as he stares down his opponent. Bucci, a co-captain of the team this year, finished his wrestling career at Millikin with a second place finish at the conference meet. He has been a strong performer on the team for four years, and helped the younger wrestlers a great deal, acting as a team leader throughout the season.

Junior Mike Kasper studies his opponent, looking for a weakness from which to base his next move. Kasper, a co-captain, finished second at the conference meet.

Most Improved Wrestler:

Mark Schlernitzauer

We a lot of infections and injuries, but overall the younger kids came along really well.

Swimming

Both Men's and Women's swimming teams again enjoyed successful seasons. The women's team took a third place finish at the CCIW meet, and the men took home the second place award. Senior Ken Krause and sophomore Brad Cain shared the most valuable performer award for the men's team while sophomore Jennifer Winslow received the award for the women. Freshmen Dave Williams and Kathy Lutgens received the most improved awards for the men's and women's teams, respectively.

Lady Blue Attack

The Big Blue Softball team is gaining popularity every year. This year, there were so many young ladies trying to make the team that a Junior Varsity team was started. The JV squad had 14 members and the Varsity had 16. The JV schedule was considerable shortened due to the rainy (and snowy) conditions. However, those on the JV teams are hoping that their experience on the JV team will help them to make the Varsity squad next year.

The Varsity team continued their winning traditions by posting a 30-11 record overall and a second place conference finish with a 11-3 record. The second place conference finish was enough to earn the team a berth in the NCAA national tournament. At the double-elimination regional tournament, the Lady Blue lost the first game 2-4 to Alma. They won their next 2 games and then lost a heart-breaking championship game to Alma 6-7.

Although the players (especially the seniors) were disappointed that their season was over, they realized that they had proved to the regional teams that they were a force to reckon with. The team set season records for RBI (225), doubles (58), triples (27), walks (173), and stolen bases (91). The team will lose 4 seniors but are anxious to see if next season they can go all the way.

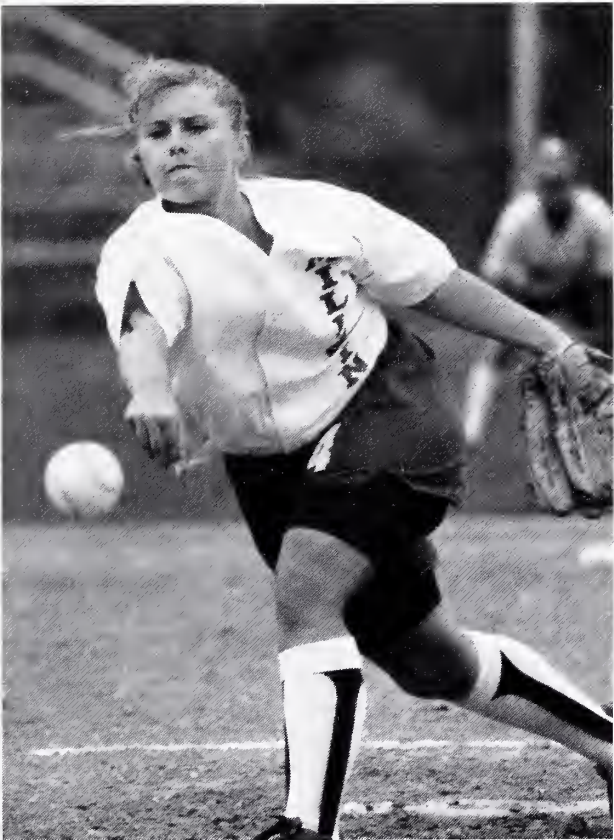

Coach P., as he is called, gives some words of encouragement to Marcie Lindgren. After 3 years as an assistant coach, Coach P., sadly, is leaving.

Batter Up!

The baseball team began the season with high expectations. With three senior pitchers in the starting rotation, the experience seemed to favor Millikin. The season began with a three game winning streak. That, however, was followed by an eight game losing streak. The team also had a nine-game losing streak.

The team compiled a 8-25 record overall and a CCIW record of 4-16. Despite the overall record, the team experienced several individual successes. Senior Mark Coplea lead the team with 17RBI and 29 hits. In addition, he had a .996 fielding percentage (making only 1 error in 272 chances).

The team will lose 8 seniors but hope for improvement next season.

Puttin' to the Top

Behind the leadership and experience of the two seniors, Jeff Ruth and Jeff Stupp, the team began the season with high expectations for a great finish. A great finish is exactly what happened. The two seniors contributed great performances throughout the season, and the underclassman caught on quickly. Jason Swatek, Jason Thomalla, and Bruce McNary all made significant contributions.

The team finished second at the CCIW Championships behind the Carthage team. That finish was good enough to earn them a number 3 ranking in Region 5 of NCAA Division III. The team completed in the NCAA Championships where they finished 22nd of 23 teams. Competing for Millikin were Jeff Stupp, Jeff Ruth, Jason Thomalla, Jason Swatek and Bruce McNary.

Serving Up a Victory?

The Men's Tennis team experienced a rough season this year as they went 0-10 in individual matches and they finished last in their four tournaments. Despite the disappointing season, the team members saw improvement as the season progressed.

The team consisted of only one senior. The other members were either sophomores or freshmen. The inexperience of the team was part of the problem for this season, but their experiences from this year will be a good building block for next season. The team should see improvement next season.

Sprinting Away

The Men's track team can consider this season a success. The season began on an uplifting note as the team recorded a second place finish in the Rhodes Invitational. They also finished second in the Monmouth Invitational held later in the season. Although they did not win a meet, they did place well in all their competitions, including a fourth place finish in the CCIW Championships.

The Men's track team completed their season on a very positive note and they hope to continue their success into next season. They will lose the leadership of several seniors, including Rob Townsend pictured to the right. However, the team will return many experienced underclassmen who hope to lead the team to an even more successful season next year.

Finishing Strong

The Women's track team continued the success of women's sports this year, as they finished 5th at conference and sent one athlete to the NCAA Division III Championships.

Ali Davis, a sophomore hurdler, placed 5th in the 100-meter hurdles at the Championships. This earned her All-American status. She also earned All-Conference honors in both the 100 and 200-meter hurdles.

Also earning All-CCIW honors were Jennifer Myers, Marianne Stanton, Stephanie Link, Becky Clayton, Karen Neier, and Erica Grider.

The team will be losing Seniors Jodi Montgomery (captain) and Jen Wroblewski but hopes to gain new talent next year and continue their improvement. Ali Davis, Leslie Nottingham, and Heather Kephart will serve as tri-captains next year.

Baby Blue

The Baby Blue Pom Pon Squad is part of the music program. The squad usually consists of fourteen members. However, this year we lost a few members due to internships and student teaching. The purpose of the squad is to provide entertainment for the fans that come to the football and basketball games.

During the football season, we are a part of the marching band. We perform at all home games, march in the Homecoming Parade, and perform a dance at the Homecoming Pep Rally. For the pre-game show we perform a dance routine and the fight song.

During the basketball season, we are considered a part of the jazz band. At each home game we perform the fight song before the game and a dance routine at halftime.

Caroline Mathon and the rest of the Baby Blue Pom Pon Squad show us their school spirit at halftime.

Back row: Kelly Wilson, Kristen Kaleciak, Ken Mutchmore, Tina Ames, Anthony Templeton, Chad Vaughn, and Scott Doberstein.

Most Millikin athletes would agree that without an Athletic Training Program, there wouldn't be an athletic program. Just imagine trying to play an entire football season without trainers. It would be IMPOSSIBLE!!! The student trainers are under the supervision of Head Trainer Scott Doberstein. They spend many hours in the training room preparing the athletes for preparing, and, in addition, they attend every home game for the various sports. As a result, a lot of time is devoted by the trainers including many late nights and weekends. In addition, the training room must be accessible for athletes to receive treatment when they need it. For the athletes, the most beneficial aspects of our training staff are that they understand the athletes wanting to be out playing, not sitting out injured. The trainers do their best, as quickly as possible, to get the athlete back in action.

On behalf of the athletes, thank you for all your hard work, dedication, and long hours of work - your efforts are greatly appreciated.

"Friends" - Atlantic Starr

Oh what a wonderful world this could be,
if we all opened up our eyes to see
That love is what we all need right now,
then we all could come together some way, some how.

My door is open wide, no matter who you are,
you can come get warm inside
Cuz I need you just as you need me,
and there's a way to show it, oh love is the key.

It may take some time, but we can start by
being kind to our neighbors in each and every land
And hope that in return they would beconcerned
about the life of each and every man

Oh on my honor, I see every man as my brother, and
together we can find the hope that's buried deep within,
if we put away our differences and let's all be friends.

Life can be beautiful when someone gives their love
to you,
for no special reason, and nothin' in return
if we all tried to love like that,
soon the whole world would learn.

It may take some time, but we can start by being
kind to our neighbors in each and every land
And hope that in return, they would be concerned
about the life of each an every man

Oh on my honor, I see every man as my brother, and
together we can find the hope that's buried deep within,
if we put away our differences and let's all be FRIENDS!

The Years 1993-94

"We are all citizens of one world; we are all of one blood. To hate a man because he was born in another country, because he speaks a different language, or because he takes a different view on this subject or that, is a great folly. Desist, I implore you, for we are all equally human...Let us have but one end in view, the welfare of humanity." John Comenius

The Graduation Cakes pictured below were just a small reminder at the Senior picnic that Graduation was almost here.

Every year the Senior Class Committee is faced with the challenge of making the Senior year as enjoyable as it can. This year, Amy Hagen had the chance to chair the committee.

Some of the events held throughout the year included a Roller Skating party, a night of bowling, a Chilli Supper, several nights at the local hot spots and of course, the Senior Picnic.

The Committee also ran the Switch-a-Day raffle as a fund-raiser and also organized the Senior Class Gift Challenge.

Baccalaureate

Baccalaureate is the religious ceremony that is celebrated before the commencement exercises. Baccalaureate began with the Academic Processional of the graduates followed by the professors. After the Call to Worship, the audience sang a hymn accompanied by the Millikin University Choir.

The Baccalaureate Address was given by Rev. Howard L. Milkman, Jr, Ph.D. He is the father of one of the graduates, and the Pastor at St. Luke Presbyterian Church in Downers Grove. His address was entitled "The Bright and Morning Star." Among the light sidenotes, he presented an inspiring message of hope for what our future lives will hold for us. The service ended with another hymn.

Right: Amy Hagen, Senior Class Chair, receives her pin from a member of the Alumni Staff. The pins were distributed at the Graduates Reception that was held throughout Richards Treat University Center. The reception was sponsored by the Alumni Office as a way for the Alumni Office to welcome the newest graduating class into the status of alumni. The reception occurred in between the Baccalaureate Service and Commencement. All who attended were sure to enjoy the food as well as one last chance to meet with their friends, as students.

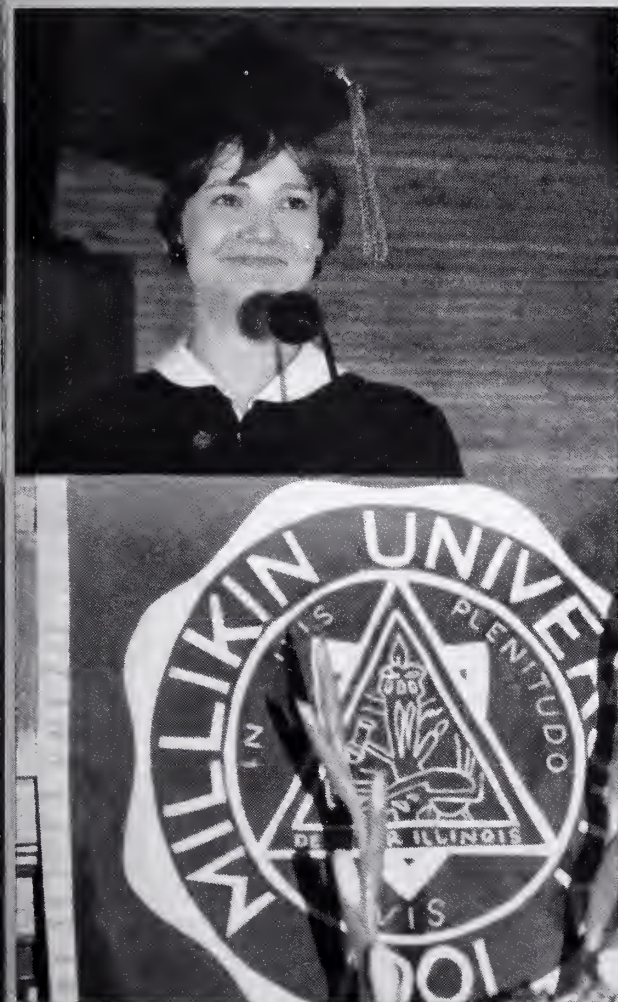

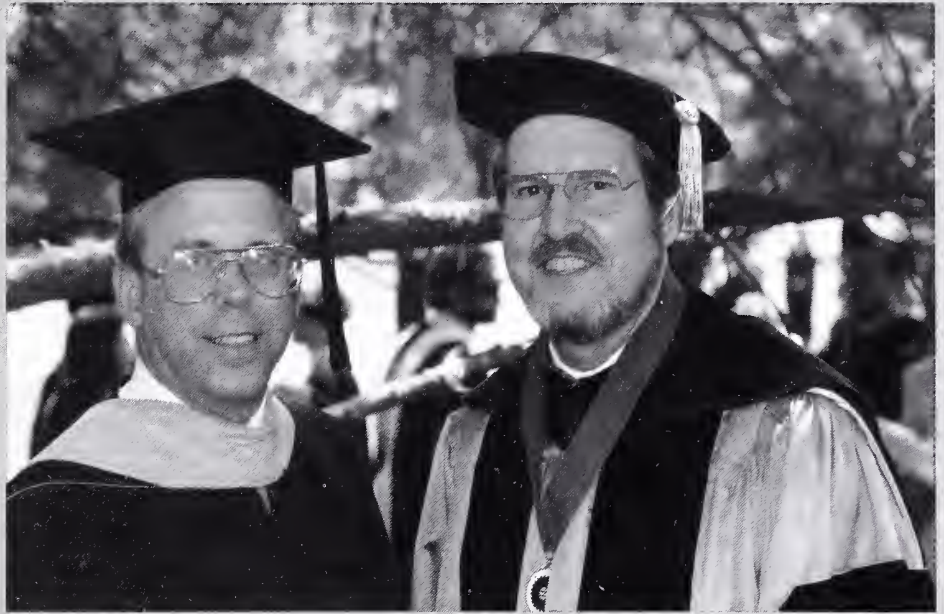

Graduates Reception

Class of 1994!!!!

As the 2 o'clock hour grew close, the Class of 1994 began to assemble in their correct place within the processional line. The looks on faces told many different stories. Some were the first college graduate in their family. Others would be receiving their degree years after graduating from high school. And still others had to overcome great personal hardships to reach this goal. But whatever the story, the ending is the same - a diploma.

As the processional began and the professors applauded, all our lives began to change. We can never go back to this moment, but we must always remember it.

Above: As her last duty as Senior Class Chair, Amy Hagen led the Class of 1994 through the tassel ceremony which official recognized the graduates as the newest members of Millikin's alumni.

Top: Mr. Joe Houston and Dr. Jerald Hunt received recognition for 25 years of service. Middle: Anxious parents await the start of graduation. My parents are in the third row - hi Rob, mom and dad! Above: Amy Neuendorf, Bill McClure, Shane Woodrum, Julie Jordan and Dale Cordes celebrate!

GRADUATION HIGHLIGHTS

The Honorable Richard Durbin was the Commencement speaker this year. Durbin is the U.S. Representative for the 20th Congressional District. His speech was inspiring, informative, and entertaining. He also received an Honorary Degree.

For the first time in many years, the honors graduates were easily recognized as they wore gold honor cords. The cords were reinstated through the efforts of Millikin Scholastic Society.

Top: Dean Redford and his wife Barbara Redford both retired from Millikin after this academic year. Both will be sadly missed. Best Wishes! Above: Jacki Clark poses with her mother. Jacki received her degree in Business Administration.

Top: Louis Leone poses for a picture with his family. I don't think that diploma will be leaving his hands anytime soon. Above: Jim Owens and Professor Bibb shares some laughs after commencement. Below: The senior athletic trainers have their picture taken with the head trainer Scott Doberstein. The seniors are Ken Mutchmore, Kristen Kaleciak, Kelly Wilson and Tina Ames.

From the Editor:

I wanted to congratulate my fellow classmates on a job well done. We have proven to others, as well as ourselves, that we have the skills, the knowledge, and the strength to make great contributions to the world we live in. Best Wishes for success and, most importantly, happiness.

Reflections From ...

This past academic year has been filled with challenges, successes, and failures for all of us. It is important to learn from those experiences and become better people. The position of Editor-in-Chief for the Millidek has given me an opportunity to learn and become a better person. As I reflect back on the past year, I hope you will take the time to remember the exciting and disappointing moments in your life as well. The 1993-94 school year began with a great deal of hope and expectations for improvement. The incoming freshmen class would include people with new ideas and new skills that would help the yearbook staff become more well-rounded. Although the staff seemed to dwindle as time passed, those who remained on staff were extremely dedicated and willing to accept all challenges put before them.

I would like to thank all the dedicated staff members for their hard work. I hope that this interest in the yearbook will continue next year. In addition, I want to thank Rich Dunsworth and Pat Sleade for their assistance throughout the year. Even during the frustrating times, you were always there with your support. As I graduate from Millikin, I will be taking with me many great memories. Millikin University will always be very special to me, as will my final yearbook produced.
